

## A CALL FOR THE USA TO RETURN TO OUR ORIGINAL NATIONAL COVENANT

God's word the Bible teaches this: "*Be wise now therefore, O ye kings: be instructed, ye judges of the earth. Serve the LORD with fear, and rejoice with trembling. Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little.*" (Psalm 2)

But the US Federal Constitution and covenant (which illegally replaced the USA's original Christian constitution and covenant, the Articles of Confederation) says this: "*The Senators and Representatives before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution; but no religious Test shall ever be required as a Qualification to any Office or public Trust under the United States.*"

Given its "no religious test oath" provision, the US Federal Constitution is in rebellion against God's revealed infallible word, which prescribes for all rulers to kiss the Son, the Lord Jesus Christ. Oath-bound secular humanism, along with centralization of effectively imperial power in Washington, DC, are core features of the US Federal Constitution, and both are wrong. It is a national sin, made more grievous by the abandonment of the earlier national Christian covenant.

This is quite different from the USA's original Christian constitution and covenant, the Articles of Confederation. The original constitution recognized Jesus Christ as Lord and maintained Christian test oaths for serving in civil office. Also, it was explicitly for a people group and not an empire, and even dispersed power out to the states of that people group.

But are we stuck with the Federal Constitution, since it overthrew the Articles of Confederation covenant which preceded it? Absolutely not! Although the Apostle Paul in the following passage was addressing different covenants, it pertains to the ones in question here: "*Brethren, I speak after the manner of men; Though it be but a man's covenant, yet if it be confirmed, no man disannulleth, or addeth thereto... And this I say, that the covenant, that was confirmed before of God in Christ, the law, which was four hundred and thirty years after, cannot disannul, that it should make the promise of none effect.*" (Galatians 3:15,17). The original Christian covenant is morally binding, and the later usurping wicked Federal Constitution which has paved the way to this modern Babel is not. The latter wicked one cannot disannul the former one.

The States of the USA have a moral duty to return to our original national Christian covenant (the Articles of Confederation), and to lay aside the sinful Federal Constitution which came later. As we read: "*...let us lay aside every weight, and the sin which doth so easily beset us...*" (Hebrews 12:1). This principle of laying aside sin is true collectively as well as individually. The laying aside of this modern Babel's constitution and returning to the original national covenant also entails partitioning off parts of the current US Federal empire that make it an empire, even as Russia partitioned out areas of the old Soviet empire. The USA should return to being a Christian nation and reject the current Babel empire model. The USA should [return to the Articles of Confederation](#).
