

ALARM BELLS SHOULD BE RINGING!

- The Biden Administration has picked Obama enforcer Susan Rice to implement Critical Race Theory throughout the Federal Bureaucracy as explained in the article at <https://redstate.com/streiff/2023/02/19/joe-biden-picks-obama-enforcer-susan-rice-to-implement-critical-race-theory-throughout-the-federal-bureaucracy-n705660> . The executive order also pushes the “LGBTQI+” agenda (see <https://www.whitehouse.gov/briefing-room/presidential-actions/2023/02/16/executive-order-on-further-advancing-racial-equity-and-support-for-underserved-communities-through-the-federal-government/>) . This imbues into people of color hatred against conservative white Americans and effectively advocates government persecution of conservative white Americans.
- Early in the Ukrainian conflict the former prime minister of Israel Naftali Bennett had worked out a peace deal between Ukraine and Russia, yet the Biden Administration and its Western allies stopped it, which has led to the unnecessary death of tens of thousands of people in that conflict (<https://mronline.org/2023/02/07/former-israeli-pm-bennett-says-u-s-blocked-his-attempts-at-a-russia-ukraine-peace-deal/>).
- The Biden Administration ordered the illegal terroristic bombing of the Nord Stream pipelines owned by Germany as well as Russia, as documented in Seymour Hersh’s article at <https://seymourhersh.substack.com/p/how-america-took-out-the-nord-stream>. This is effectively an act of war against these two nations, and with implications for all of Europe’s energy availability. Many of the same US officials encouraging this were involved in the 2014 coup in the Ukraine of the duly elected Ukrainian president during President Obama’s Administration, which in turn precipitated the Ukrainian civil war (<https://www.theguardian.com/commentisfree/2014/apr/30/russia-ukraine-war-kiev-conflict>).
- The Federal Government is interfering in US elections in order to hurt conservative campaigns, as exemplified at <https://thefederalist.com/2022/07/27/the-fbi-keeps-interfering-in-presidential-elections-time-to-disband-it/> .
- Lest we think this pervasive immorality is just Democrats, here is how a Republican describes the CIA under those of both political parties: <https://www.telesurenglish.net/news/We-Lied-Cheated-and-Stole-Pompeo-Comes-Clean-About-CIA-20190424-0033.html>

We should not be naïve as to the implications of the US Federal Government being weaponized for evil, as exhibited in the above and much more. Alarm bells should be ringing in the ears of every American!

We must see beyond the temporal to the spiritual in the trajectory of the US Federal Government, for God is sovereign over all. These judgments are coming upon us not by accident. This is God’s judgment on us for our rebellion against Biblical Protestant Christianity. We have all participated in turning the USA from what began as a Biblical Protestant Christian nation into a modern Babel. We need to recognize our national sin, and we need to take appropriate action by God’s grace.

Part of the appropriate response of Americans is Protestant Nationalism, as explained in the recently published book *Protestant Nationalism Proffered*, which is [free online](#) as well as in [paperback format](#). For those wishing to discuss this important topic, there is the [Protestant Nationalism Facebook Group](#). The symbol of our cause is the first national flag of the USA. It graphically depicts how the USA was founded as a Christian nation of confederated sovereign states of the Anglo-American people, embracing the principles of Protestant nationalism:
