Dear Mr. Niewisma:

Before the Ottawa County Board you presented the federalist perspective on the Ottawa County “constitutional county” resolution. As noted at <https://simplyamerican.com/ottawa-is-declared-a-constitutional-county> , you stated, “Among other things, our Constitution is clear about the role of the Supreme Court, which is to interpret the laws of our land and determine how they should be applied. That includes Articles I and II and the Bill of Rights. That’s the job of the Supreme Court.” I presented the anti-federalist side, beginning at 3:57:00 of https://www.youtube.com/watch?v=pm_J-zIpciM.

I would invite you to a formal public debate on the topic, and I will present the side of anti-federalist Biblical Christianity. You can find my book entitled *Return to the Articles of Confederation: A Rebuttal to Trustee Steele and All of Those Who Oppose Biblical Christian Rule* on Amazon as well as free online at <http://www.puritans.net/book-return-to-the-articles-of-confederation/>. You will notice I mention you in Appendix 1 of the book. I would ask the Ottawa County Board to allow us to utilize the Ottawa County facility for the public debate.

The foundation of my views on this topic is that Jesus Christ is Lord, the Bible is His word, and it is the moral duty of all civil magistrates to “kiss the Son.” Sadly, the secular humanist Federal Constitution illegally took us away from the Christian Articles of Confederation as well as more limited and accountable government, which is a grievous national sin for which the states and localities of the USA should repent.

I can assure you my goal is to keep this discourse civil. My interest is that the public know the facts and hears both sides of this longstanding debate. Then they should decide whether to follow the course of federalist secular humanism or anti-federalist Biblical Christianity. I believe orderly, legal, and peaceful procedure should be followed to resolve this religious and legal controversy.

Sincerely,
