

NO SINFUL CONCENTRATION OF POWER

One of the beauties of the Christian Confederation Period, in contrast to this modern Neo-Babylonian Empire Period, of US history is the way power was not amassed and concentrated but diffused and spread among the sovereign States. There will always be people who are hungry to amass more power than is healthy for themselves or the nation as a whole, but there needs to be strong hedges preventing such. During the Christian Confederation Period, there was no powerful Executive or powerful tenured Federal Supreme Court mandating for the nation, and backed up by the power to tax and dictate orders to all of the states and localities of the USA. The States of the USA were sovereign, and limited government was backed by citizens' militias under local and state government leadership.

In terms of my own involvement in the effort towards a [RETURN TO THE ARTICLES OF CONFEDERATION](#) by the USA, it is very purposefully limited to working only in the state of my own residence, other than encouraging Americans in the other states to do the same in their states. I do not want there to be a few people, including myself, to lead a national effort, for that would pave the way for renewed concentration of power in the future, even if the states of the USA return to recognizing the Articles of Confederation as the national constitution, as I am hopeful they will.

We have a King who is divine as well as sinless; we do not need an imperial dictator (or an oligarchy of dictators) who is only human as well as sinful. Our King is the Lord Jesus Christ, and here is what was prophesied about Him: "I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession...Be wise now therefore, O ye kings: be instructed, ye judges of the earth. Serve the LORD with fear, and rejoice with trembling. Kiss the Son..." All mankind, including all civil leaders, are thus commanded by this word of God to bow to this heavenly King. Those who will not, but only want to amass power for themselves and impose their wicked agenda upon others (such as the "LGBTQ" agenda), are unfit for civil office. They are especially unfit for civil office in a nation and state pledged to Christian constitution and governance, which the USA and Michigan are, by consequence of the Articles of Confederation and Northwest Ordinance. The Federal Constitution was an illegal and immoral usurpation of the original Christian order.

Since we have an imperial King, the Lord Jesus Christ, and we have His word, the Bible, we ought to pursue legal, peaceful measures to restore recognition of Him, and our original national Christian constitution, by amending our state constitution. This in turn will have the effect of restoring limited government to the nation and state, and we should arduously pursue such limited government and Christian liberty. Contact J. Parnell McCarter at puritansinfo@gmail.com or visit the website <http://www.puritans.net/christian-amendment-to-the-state-constitution/>. We hope citizens in other US states will similarly seek to amend their states' constitutions.

"For unto us a Child is born, unto us a Son is given: and the government shall be upon His shoulder: and His name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."
